“ Oh dear Jimmy. Dave fondly called you "TWO", and only you knew what that meant. You were always such an amazing presence in our life. You knew Christina before she was born. She sang at your wedding, and you were one of her biggest supporters. Pam and Cassie, they are also a big part of US, and we will always and forever be there for them. FREE BIRD!!!

“ *What I will be missing looking out my kitchen window, to my neighbor next door. I have never known a person that loved the outdoors as much as Jimmy. His lawn cutting was detailed every year, watching his dad and him at work on projects from cutting flooring the filling dirt in the yard. Cooking up the best a BQ dinner ever for his friends, and family. Watching TV in his outside man cave, from entertainment shows, nightly news, weather and of course all the sports. A good guy to talk to with a drink or two, three, etc... also jamming to the best of the best in all types of music. Or just sitting outside till the sun goes down, waiting for the pouring rain, or a crispy season day with a bonfire with a full moon. I'm glad I gotten to know what it is being outside enjoying the simple things in life that have been shared thru the years. There is so much more to say, but I can only say to you is thank you very much Jimmy I'm glad I gotten to know you and your family you'll be totally be missed.*

“ *The world has lost one of the biggest and brightest smiles I have ever seen.  
There are no words to express just how sad I am for his lovely wife, beautiful daughter,  
his siblings and of course my sweet cousin, Shirley. Your world seems a bit darker now but the heavens are surely brighter. Look up in the night's sky and you will see a new, special twinkling star. My love to all of you,
