“ Tomorrow we lay to rest another incredible guy. Great father, awesome papa and truly amazing human being. There isn't anyone James wouldn't help. Anyone that had the pleasure of knowing him is truly blessed to have known this kind of a soul. No matter what he was going through he would lend a hand where needed. This has been one hell of a week. The most bumpy emotional rollercoaster that I've ever experienced in my life. We're all getting through this together. James, we've got Katie, Ella and Sandy. We will do whatever is necessary to help them through. Throughout this tragedy I've learned just how amazing my Stone Warehouse family is. I couldn't be more proud to be a part of Stone Warehouse. And furthermore part of the stone industry in general. The amount of support our company and both families has received is tremendous. It's truly incredible. Hug your loved ones. Tell them how much they mean to you each and everyday. Tomorrow is not promised. Rest in peace James. I'll see you on the other side. We will always hold you in our hearts. #Ateamforever #gonebutneverforgotten
