

James Leonard Jones

December 26, 1952 - April 28, 2025

James "Jim" Leonard Jones of Macomb, passed away April 28, 2025 at the age of 72. Jim was born on December 26, 1952 in Detroit, MI. He was the first born son of Margaret and James Jones . Jim was one of 8 children: Shirley Morgan (Brian), Margaret Dalessandro Vecchione (John), Tommy Jones (Judy), Danny Jones (Mary Jo), Rose Anna Nepa (Joe), Billy Jones (Ed) and Debby Jones (Mike). Throughout the years the siblings have remained close and Jim's passing will be a great loss.

Jim served in the Air Force / ANG where he was honorably discharged in April of 1978. Jim was a proud Field Application Engineer at Valenite/Walter Tools for almost 40 years where he retired from in 2017.

On July 18, 1986, Jim married Michele Jones and together they had a daughter, Stephanie Baker (Kyle) in 1988. Jim had 2 grandchildren, who he loved fiercely and was proud to be called "Poe Poe", Blake (8) and Blair (5). Jim was a skilled craftsman and was happy to help out anyone who needed it. Jim enjoyed spending his time with his family, tandem bike riding with his wife, all things motorcycles, he jumped out of airplanes, scuba dived with the fishes, did archery but could also sit down and relax with a good book. Jim was a humble man who didn't ask for much and gave everything to those he knew and loved. Jim would talk to just about anyone who would listen (even in the Kroger checkout lines). Jim will be remembered for his "one is good, two is better", "give it back better than you found it" and accepted people for who they were. There isn't a day that will go by that his impact won't be felt by

someone.
