“ Dear Chris: I hope this is the Chris Sajdak from St. Florian. Just read of your loss in the newspaper. So sorry to hear that you have lost your husband. My prayers are with you and your family. (If this is the same Christine, it's been many years since we have seen each other but memories don't fade.) May God be with you and your family in this difficult time.

“ Many prayers to the family and friends of Jim. He was a great person to talk to and one of the first people I met at Trinity when I first arrived. We often spoke of him, even recently as we missed him here. I am grateful to have known him and will hold that time dear.

“ My prayers are with Jim's family and friends--was my pleasure to know him, work with him at Trinity Health and share stories about baseball. He always teased me about my pitchers (Grilli and Jones) and we had fun times razzing each other! What a good guy, so thoughtful of other people and his family.
