I rememeber him driving me around Saturday and Sunday morning on my paper route in his Silver Chevy Blazer. (Have to have a car reference we talked about cars all the time, we are Detroiters!)

I have memories of talking with Uncle Jim about saints, spirit/souls and how he loved his children. Rest in peace Uncle Jim without the vessel that served you for so many years. In a couple of days you will be having fun with the rest of them in heaven.
