“ Went Axe throwing back just before the shutdown, early Mar2020. Had a great time. Jim was very proud of his victory. Only met Jim a couple times but left a lasting impression as a nice and fun loving man. Was hoping for many more memories together once this lockdown epidemic was over. Glad we got to share a few. RIP.

“ It's very sad to hear of Jim's passing as he seemed to always have a smile on his face. We had many good holiday celebrations at Richard's and Shirley's house, even if that was the one time we seen each other. I remember running into you at Gibraltar Trade Center and then stopping by and seeing you at the tattoo booth every time I visited. My thoughts are with you and your family as it hurts knowing we won't run into each other anymore. Take care cousin. You will be missed by a lot of people.
