“ We are so sorry for your loss.
Jim was such a friend to both of my parents, he attended St. Rita's school with my mom and was a great friend and golf buddy to my dad.
Jim and Stephanie were such a devoted couple and couldn't be separated for very long. Now they're together again.
Our prayers are with your family.

“ I am so blessed to know Jim for the few months I did. I have had ice cream each night for the past several nights and not only thought of Jim, yet wondered why I haven't been doing this longer! I just adore his infectious smile.

“ I only have fond memories of Uncle Jim (or should I say Bob Newhart!). He was a good man who raised a wonderful family and will be missed by many, My condolences go out to his children, very sorry you lost both parents in such a short time. I have many happy memories of the fun times we had at your folks place growing up. I watched the ceremony on the livestream, very nice words by all. Uncle Jim was loved by all who knew him and lived a long honorable life.

“ Anyone who has ever met Uncle Jim will remember his laugh - full throated and contagious. He even put up with all the Ukrainian craziness, but I think he'd always would have preferred a good old fashion Irish stew ;-) He certainly raise a wonderful, close, happy family.

My love and sympathy for the family. It's NEVER easy losing a parent, to lose both within seven months must seem unbearable. My heart goes out to all of you.
