

James Palasty

July 21, 1947 - October 7, 2022

On October 7, 2022 James Palasty was welcomed into the Kingdom of Heaven. James was born on July 21, 1947 to Paul and Elizabeth Palasty in Flint, MI. Having two sisters Judy who preceeded him in death and Betty. He worked at the GM Truck Plant in Flint, MI. James worked at GM for 33 years where he retired from as a Toolcrib Technician. During that time James became a father to two boys James and John from his first marriage. As time progressed life brought him to a singles dance in June of 1998 where he met Linda, and all who witnessed say it was love at first site. This led to a marriage of almost 24 years strong and it brought Kimberly (Davoine), Kelly (Kevin), and Katie (Butch) daughters he welcomed with open arms. Grandchildren, affectionately refferd to as 'hobos' Jacob (Kendall), Hannah (Anthony), Hailey (Jeremiah), Grant (Erin), Guinevere, Zachary, Madeline, Felicia, Alanah and Mariah with great grandchild Hazel Grace.

James shared with us all a love of travel which led him to visit the pyramids of Egypt and Mexico, Sedona, the Grand Canyon and more. He collected and mined crystals and minerals along his travels making a habit of leaving a crystal in each place he visited. Although he's no longer present on this earth his energy is all over the world in the crystals left behind and within the love in our hearts.
