“ I am sad to have discovered that James passed away. I was having my coffee this morning and thought of Jim. I googled his name to see the news that he was no longer with us. I knew him in the early 80's. We were room mates at one time. We had some fun times dancing and hanging out with friends. I have some wonderful memories of the time we spent together when we were young. I can still picture him dressing for a night out and popping the collar up on his polo :). Menjos, Backstreet, Aruba, the list goes on!! The stories LOL.

My belated condolences to his family. Richi

“ We remember our visit with Jim at his nephew, Jimmy's graduation. He shared with us his plan of retirement to Florida in the near future. His zest of enthusiasm was clearly sincere and memorable of someone you would choose to be a friend. We will miss you Cousin and Friend. Rest in peace. love, Gary and Marilyn.

“ My FUND memories of Jim are as follows Camping at Forest Lake. Taking me to my first concert, even when I wasn't allowed. (Jim went around that and bought the ticket as a Christmas gift). Going to Sauble Beach and getting stopped at customs going over the bridge. I was scared and he just laughed! Jim and my brother Mark together was always meant trouble !!! Him falling off the high school bleachers! I am soooo THANKFUL for my weekend family, because of all of them I meet my wonderful husband!
