“ Uncle Jim, I appreciate everything you ever did for me, especially within the last few months. I know I never got to thank you properly for you helping me, but I want you to know that I truly, truly appreciate it. Now not a day goes by that I don't regret ever taking you out for a coffee..but I know you know that I am thankful.

“ Jim,

As your "Kid Brother", as you always introduced me as, I am still now , as I have always, looked up to you as a Hero. Not because you were a Marine, not because you were a Police Officer, but because you were, "Jim".

A Husband, with a Beautiful Wonderful Wife, Exceptional Children, along with Myself, your Three Sisters , and all your Cousins and Friends, who learned from you, to share you'r values of honesty, integrity, and love. Your presence will be greatly missed at every one of our family and friends get together, but, you will never be forgotten, and your memory, as Mom and Dads, will carry on forever.

We will all be by your side again someday, to hug and hold each other, sharing those values you taught, and etched into us. So until then "Big Brother", I say Too-da-loo. Which Dad always said, it means not "Good Buy", but, see you again.

Your "Kid Brother"

“ My sincere sympathies to the family. I was privileged to call Jim, friend. I bowled with him when I first came on the department and he always made this "rookie" feel welcome. “ To the Treadwells,  
My thoughts and prayers are with you all. I have great memories growing up with you five houses away. I remember when "Dad" worked nights and Diana and I would get in trouble for laughing too loud while he was trying to sleep during the day. I remember always feeling safe in the neighborhood when his patrol car was parked in the driveway. Take care all and God bless.##imported-begin##Nicci Bower (Kujawski)##imported-end##

“ Dear Treadwell family, I am so sorry to hear of "Mr. T's" passing. He was a wonderful man and a very positive influence in my life as a mixed up teenager. I will always remember him at our softball games and being the official photographer at so many events. I always admired the type of man he was and the way that he lived his life. I remember him as a hardworking & very funny man with a great dedication to his wife and children. I feel lucky to have known him and for the impact he had on my life. You are all in my thoughts and prayers.##imported-begin##Irene (Glaser) Sun##imported-end##

“ I love you so much. I miss you so much. You have been the best and the most loving father ever. I will always remember when I had Victoria and you acted as her father until the very end. You were there for me when I was a pregnant teenager and throughout my divorce you were always there for us. Thank you. I am so grateful to you in so many ways. Thank you for teaching me how to fish, to this day I love it. Now when/if I ever go again, it wont be the same, but I know you will be there standing next to me telling me how I am casting wrong or how I am baiting the hook wrong. I will miss that. I will miss so many things about you. I hope you know that... I loved you more than anything in this world. I am crying writing this... I wish you were here with all of us right now! I will miss you forever, but I know you are here with us. I love you. -Me :###imported-begin###Diana Popp###imported-end###

“ Dear Uncle Jimmy-  
I can't believe that I was just there in October and having so much fun spending time with you & Aunt Virginia and David, Diane & Debbie. When I think of all my memories of being back home, my childhood, my family you are such a big part of all of them. I'm realizing that even when you weren't actually there your presence was always there...it was because you were here that we could feel safe and know that if we had any questions about almost anything you could answer them. I just want you to know how much I love you and miss you already. Thank you so much for being a wonderful Uncle and a part of our lives. To my Aunt Virginia and all my family, please know how much I love you all and are keeping you in my prayers.

“ Dear Daddy - I know you are reading this because you are sitting beside me right now. And when you walk away, it will only be for that short time you go fishing with Grandpa at that great fishing hole he found for the both of you...but you will hear me. You will always be with me, yet I will always cry for you and miss you, but the tears will dry up with knowing you are beside me, the whole way, until the end of my time and I can be with you again. So thank you for being my father, my hero, and the most trusting man in my life. Love always.....Me##imported-begin##Deborah##imported-end##

“ It came so fast, we were not ready to see you go. It is so hard to believe.

You brought so much fun and laughter to our family and we will miss you. Christmas parties will not be the same without your famous sour kraut and saugage and great stories.

We know you are in a better place, you are not suffering and are with Grandma and Grandpa. We cry for each other left here without you, but we have love and fondness in our heart for all you have given to each of us.

Now you've got the power to watch over each and every one of us from above as the care-taker you have always been. That is very comforting. God Bless You.##imported-begin##Michelle Schimelfening##imported-end##
