“ Mrs. McManaman and family - I can not express how sorry I am for the passing of Mr. McManaman. There has not been a single year that has gone by that I have not thought of all of you. I thought of Mr. McManaman as a father figure. I would have done anything in this world for him. All of our memories will be with me forever. If you need anything at all, please let me know. With love,

“ Sharon:

My heart goes out to you and your family. You and Jim seemed to have a love that every married couple should have. My strongest memory of you two was when you used to come to Aunt Jeanne's in Jim's 1960 Blue Chevy. You used to sit so close to him with such pride that he was your main squeeze.

My dad could not come to visitation, but wanted you to know that he was thinking of you and was offering his deepest sympathy.

Losing a loved one is never easy, but fortunately, you have such a strong family, I'm sure they will all be there to help you every step of the way.

With much regret and deepest sympathy,

Jo-Anne Dunn and Frank Gadioli###imported-begin##Jo-Anne Dunn##imported-end##
