“ My beautiful Auntie Janie, I will always remember your vibrant and loving smile. You were an amazing aunt and I remember all the times you had us over for family parties... We all had so much fun. You cooked incredible dishes and your spark and energy would always light up the room. I will always remember you and the love and kindness you showed to our family.
*Danny, Jimmy and Shelley- you are in our prayers during this difficult time. I love you all.

“ *Hania, as all of her family knew her by, loved life to the fullest. Even in her last journey, we laughed and cried with her, and she was a fighter to the end. We will always cherish the good times we had with her.*

And, a big kudos to Jim, Dan, Shelley and their family for taking such good care of her, during that roller coaster ride of life. We know she loves and is very proud of all of you, as we are.

*She will always be in our hearts.

“ *Auntie Janie was a special person. Every one who knew her loved her zest for life. She always supported the kids view and displayed strong character in ways that matter most in life. She had her share of struggles and handled them with incredible bravery for a woman who was of petite stature. Her heart was as big as a basketball and those who she loved knew it was unconditional. She definitely made an impact on my life. I learned some delicious recipes too...and we know that the finest restaurant couldn't compete with her dishes and celebrations Auntie Janie is in heaven....welcomed by those who are there waiting for her. My prayers are with my dear cousins now...As they lost a true matriarch....and I have lost my dear sweet precious aunt ...wife of my Godfather KayeDon. I will always remember you and love to you dear Auntie Janie.*

“ Jane Hamlin was a women that could do anything, she was warm loving, a protective caring and giving Mother and I'm sure Grandmother. I have many warm memories of her. I wish we had stayed in touch. The world is a duller place without her.

“ Jim, Dan And Shelly, I am so sorry for your loss. Your mom was not only a beautiful person, she had a beautiful soul. It has been many years since we visited, but I can truthfully say I thought of Jannie often. She was one that got ahold of my heart. My thoughts and prayers are with you during this time...All my love, Terri McNutt Elwood.

“ Firecracker is how I would describe her personality. Such a great person. I was one of few that were "allowed" to play pennecke with her. We always would plan on a trip to Ireland....someday. We will miss her. Love and hugs to the Hamlin family.
