“ Charley, Mere words cannot take away your sadness. However, the many messages you will get written by all of us that knew Jane and cared about her. Should help ease that sadness. Jane was one of the first people I met when I started at SHPD. Charley, in all the years I knew Jane. I can safely say. Jane never changed. She remained the same friendly, happy, and outgoing person. She will be missed by all of us. Richard & Denise Frohm

“ Charlie, you know how I feel about Jane and I will never get over losing her as a friend. We've been neighbor's for over 17 years and Jane has always been there for me. Not once did she ever say no when I needed her help. I'll miss all our girlie conversations. She always thought of me as the sister she never had. She had a unique soul and she always told it like it was. I am going to miss her so much, but John and I will always be there for you too. Whenever I hear the roar of that purple engine, I will always remember her and the love for that car. May her memories live on in your heart forever.
