“ I had the joy and pleasure of work with Jane at Walgreens and consider her a friend, not just a co-worker. She was amazing with people- it didn't matter who you were you were treated the same as everyone else. She was amazing even when she was having a hard day. I'm glad I got to work with her, talk with her, etc. I am sad she is gone but glad she can be with out pain and be at rest. Love & Miss you Jane

“ To all the friends and family of dear sweet Janey...I send to you my deepest sympathy and condolences your way. I had the privilege of working with Janey at Walgreens. She always brightened my day with her kind heart and kindred soul. She had a way of taking one look at me and knew if I was out of sorts..so she would say something funny and my out of sort moment would turn to pure joy! She had a large following of customers who also loved it when she waited on them. They would wait for her to finish up with a customer just so they could receive her wonderful service. She was a pure joy to work with and to be around and will be dearly missed by so many. May you rest in peace Janey. I love you ...Amy Ballas ❤️❤️
