“ Hi ,

*I retired a year ago from MBHP in Boston in the claims department management.*

*For my decades there, whenever we did not understand something business wise (which was quite often 😊), Jane was our long distance go to person and her patience and kindness were endless. I also had the privilege of meeting her once at her home office. She was a joy and I am very sorry for her family's loss but her memory will be cherished.*

*Sincerely,

“ *I worked with Jane for many years at Beacon Health Options. She was hands down the best supervisor. If you had a problem she would figure out how to solve it. She always had our backs. She was a special person. My deepest sympathy to You, Michael, and to the entire family. She will be missed.*
