“ *My memory of Jane is that even in her late eighties, she possessed the joy of life and would make you feel welcome in her home--she was not someone who you could easily forget after making an acquaintanceship.##imported-begin##Carl##imported-end##*

“ *Aunt Jane,
Thank you for being in my life. You were a wonderful aunt and godmother to me. I will miss all the wonderful food you used to cook, playing cards, going to the farm with you and uncle Frank and those african violets you used to grow. I hope you have found peace and were greeted by a large group of family and friends as you left us and entered into heaven. You will always be in my heart and prayers. I will miss you only until we meet again. Love, Always,
