“ Jan was a very kind considerate lady to me. In fact, I never heard her complain about anyone at anytime. She is missed. My sincere condolences to both her friends and her loved ones.

“ We met Jan Hartigan at a Lifetime Fitness aqua aerobics class many moons ago. She and Jack endeared themselves to us through countless Saturday mornings at Panara, group vacations, holiday dinners, birthday celebrations, housewarming gatherings, and various get togethers for no other reason than we relished their friendship. Jan was fiercely loyal to her family, stressing to all of us how blessed we are to have the love of spouses, children, and grandchildren, not to mention our crazy pets. She was incapable of negative remarks about anyone and loved us all unconditionally. I will miss my friend, my confidante, and my personal ray of sunshine. God bless the Hartigan family during this difficult time.
