“ My sister and I met became friends with Janet when our parents took us to Poland 52 years ago. That friendship lasted all these years, sharing birthday and holiday celebrations, shopping and lunch outings, theatre and movie performances, etc. Janet and I travelled to Australia and China together. The wonderful memories from those trips and outings were relived while we visited Janet in these last several months of her life. I am grateful for Janet's friendship over these many years. Rest In Peace, dear friend.

“ Janet was a wonderful colleague and friend when we worked together at WCCC. I will always appreciate her sharing professional experiences with me. We also enjoyed great meals and shopping experiences in Hamtramck and Detroit, where Janet shared her Polish heritage with me. She was a very kind and caring person who sent wonderful birthday and holiday greetings. Janet will be remembered with great affection by students, colleagues, and friends. Condolences to her family.

“ Janet was my supervisor when I was a work-study at WCCCD and as a library assistant. Under her tutelage she inspired my own path to librarianship. I will miss her thoughtfulness and care and her wonderful crafts.
