“ Dear Family:

May God bless all of you at this very difficult time and may he give each of you strength. Our hearts and prayers are with all of you. We know how tough these days have been and will be and thereafter. Remember all of the good times with Janet (the family reunion was definitely one of them) and we are all very blessed to have had the time we did with her. Our sincere love and many prayers to all. God Bless!

“ *JANET PEUTERBAUGH: Always there to greet you with that wonderful smile of hers. It was as though she knew something very special and was more than willing to share herself and her talents with you when you engaged her in a personal way. A very positive outlook made her a very strong person and she shared that with everyone with whom she came in contact. She saw the good in everyone even if she did not agree with you all the time. Janet was like a magnet with her opinionated positivity - I was always interested in what she had to say. I will miss her. I offer my sincere and heartfelt condolences to her Mom, her brothers and sisters, her nieces and nephews, her aunts and uncles, her many cousins and her friends. I think we are better people for having known Janet.*
