

Janet E. Poxon

January 2, 1951 - February 24, 2023

Janet E. Poxon born January 2, 1951, in Detroit, Michigan passed away on February 24, 2023 in Bay City, Michigan at the age of 72. Beloved Wife of David Poxon. Loving Mother of Matthew (Kimberly) Poxon and Amy (Christopher) Kuhlman. Proud Grandmother of Emma and Kennedy. Dear Sister of Walter (Sandy) Pauli, Kenneth (Diana) Pauli, and was preceded in death by: Barbara Roth (the late Gerald), Kathleen (Jim) Legeret, Linda (Norm) Popa, and Beverly Pauli.

Early in her career Janet worked for the IRS as an audit aide, while completing her Associate Degree from Macomb Community College. She was a contractor who worked 24 years in the areas of Customer Service, Purchasing support and as an auditor. Contract companies included Entech Services, Kelly Services and Manpower Corporation. As a member of the Chrysler Management Club, Janet & Dave had the opportunity to see the world together. They took over 20 trips to many different countries including Italy, Spain, Punta Cana, Peru, and Russia to name a few. Ocean and river cruises were her favorites.

Janet loved to crochet blankets and hats for infant babies, which she donated to Children Hospital, and her local parish family outreach program in Macomb and Gladwin. Quilting was her other passion, making quilts for family members, especially t-shirt quilts for great nieces and nephews, brought her

great joy. She was a longtime member of the Sugar Springs Stitchers and their Recreation Committee. Her passion for charity also included many years of volunteer work for the Susan G. Komen Breast Cancer 3-Day walk.

Above all, Janet loved her family and friends. Her time spent with her kids, two granddaughters (Emma & Kennedy), sisters, brothers, cousins, nephews, or nieces filled her days with happiness. There was never a moment Janet wouldn't give to make sure those she loved had the care they needed. And she would always make sure they had a full belly. The size of her heart knew no boundaries. Janet will be cherished and remembered in the hearts of all those who knew her, and her impact will continue to shine through us all. “ *Although we didn't keep in touch with Janet in her later years, we have fond memories of her and the whole Pauli Family in the 1960's and 70's at family weddings, their visits north and at Oktoberfest in K-W. We also enjoyed Dave's yearly family Christmas up-date letters. Our condolence to you Dave and your family, and Bud and Ken Pauli.*

“ Janet and Dave were the light of any trip we went on. Both making sure all was well for everybody, Dave capturing every moment with his beloved camera while all along pretending he was a comedian, Janet keeping a close eye on Dave to be sure he behaved, and smiling all the way through. The parties we would have in somebody's room, Dave toilet papering the room and Janet scolding him... the memories are endless. I have one of Janet's famous creations because on one trip I forgot a washcloth, so next thing you know, she knitted one for me. Always there to save the day. We had so many laughs... the belly laughs that you never forget. I sure wish I could be there this week. I will cherish the chats she and I had.. I just wish I could have spent more time with her in this last year or two. We have traveled the world together, and no trip from this point forward will ever be as enjoyable. Rest in peace my dear friend, and God-bless Dave and the kids as they forge their way on this new journey.

“ Janet and I have been friends for 65 years. We met in elementary school at St. Ignatius in Detroit and became fast friends. I have so many fun memories over our many years, it's hard to pick one. Before her marriage to Dave, Janet and I went on a few trips together. One of which was California. Dave, to this day, brings up our trip whenever we get together or talk. Note to Dave: you never had anything to worry about, as Janet knew you were the one before she left! Janet definitely had the biggest heart and would always go out of her way to make sure we could get together, as much as possible, whenever I came into town. I'm truly going to miss my dearest and sweetest friend! I'm so glad I got to spend a few days with her in January. Love you my friend! 💕💕💕💕

Having met Janet in Sugar Springs I saw her in many different places. But most of all I met her smile. Janet wore her smile while working, playing or even when she was uncomfortable. She loved quilting in Beaverton and actually stopped by to pick up fabric to keep her hands busy just two weeks before her final trip to heaven. She will always be smiling on us all. Will never forget it. Happy thoughts love always. Nancy Benoit

“ I've known Janet since she was an infant, and she never lost that wonderful smile and her happy disposition, no matter what life threw at her. Upbeat, positive, fun, caring...these words describe my dear friend. She made a quilt for me, using my late husband's favorite t-shirts. In one square she wrote "...whenever you hold this quilt, know that I am with you. Made with love by Janet Poxon." I think of Mike AND Janet when I hold this treasure...always. God bless her beloved family as they deal with this great loss.
