“ So sorry to hear of Janice's passing. I have always considered her a true part of my Kramer-Triad work family for many years. I respected her integrity, honesty, and patience. I also appreciated how she would go out of her way to be informative and helpful. She inspired loyalty, kindness and patience to all through her continuous examples. A true role model for everyone. The world is certainly a better place because of her having been part of it and she will continue on as a cherished memory. My sincere sympathies to Janice's family.

“ It is hard to comprehend that we lost a wonderful individual so unexpectedly. Janice was the most gentle, kind, helpful soft spoken individual who always treated everyone with such respect and kindness. Her dedication to her long career in property management only reflects her passion for success. This is very heartbreaking breaking to me as I have known Janice for over 40 years and she was an amazing team member. Our Journey together at Kramer-Triad was something I will always cherish. Janice as you move on with your journey with God know that you will be missed but always remembers for the wonderful person who brought so much to others as well as your family. Thank you for being a dear friend and work companion. Go in peace. Kirk and Nancy Bliss

“ Janice will be missed by so many professionally and personally along with many loved ones and friends. She was such a gentle and patience person who cared the most about doing the right thing. I learned so much patience from her just by her being an example. She was always positive and never hesitant to help out anyone. I will miss her warm smile and stories of her family. <3
