“ *My deepest condolences to the Jason Karrandja family. Jason was a good friend for over 30 years. He loved coming up north to Long Rapids. Over the years we had so much fun at his cottage, sitting in the deer blind, and sitting at the card tables at camp. He will truly be missed by so many friends and families up north that he has touched over the years. RIP Jason until we meet on the next big hunt.*

“ Dear Karrandja Family
Jason has been a member of the Jolet family for many many years. We were shocked and saddened by his passing. This world was a better place with Jason in it. Our Son Joe will have a void in his life forever. Once from your husband and father and now his brother Jason. Please know how he was loved our prayers to you all

“ Jason was a light in so many lives, I knew Jason and his BEST friend GREG BIERNACKI Jason and Greg had such an amazing friendship, Jason was not only Greg’s best man in his wedding, but Jason was the God Father to Kennidi, Greg’s daughter. Jason had a heart of gold. We share so many memories including Jason bringing a gift every year to Kennidi for her birthday, and he may not have children but he was the best GOD FATHER.

Jason was shy but he certainly had many friends. Friends he shared so many memories with so many people. His friends Greg, myself and Dave have so many stories they could talk for hours about the crazy thing that happened.

Spending times at Jacks was the best!! Jimmy from Jacks loved the his lifelong best friend Greg too! They were like the Three Musketeers!

Jason will be dearly missed by all his friends he’s had for so many years. So many memories, Jason will be forever remembered.

“ I have priceless memories of my cousin Jason from my childhood. I can clearly remember going to my aunt Lois and uncle Phil’s house for several Holidays.

Of course us kids had to play in the basement. :)

My heart goes out to the family and my wonderful godmother aunt Lois. May Jason rest in peace.

It's been decades since Barbara and I left Michigan, but our pride in and gratitude for our extended family has never waned.
