A life beautifully lived deserves to be remembered. It is with deep sorrow and much love that we mourn the loss of Jason Scott Randazzo of Davisburg, Michigan who passed away unexpectedly on May 26, 2026, at Henry Ford Hospital at the age of 48. Jason was born in Warren, Michigan on July 24, 1977. He was raised in New Baltimore, Michigan with his three sisters and graduated from Anchor Bay High School.

Jason is the beloved son of Gregory and Marie Randazzo and is survived by his wife, Wendy Schreiner Randazzo; his son, Gabriel Randazzo; his stepchildren, Alexandra Wheatley and Tristan Wheatley; his sisters, Lindsey (Jacob) Rotary, Jeanette Randazzo-Foote (Aaron Foote), and Alexandra (James) Piasecki; his dogs, Shadow and Chief; and many cherished aunts, uncles, nieces, nephews, cousins, and friends.

Jason was the general manager at Burg's Custom Cleaning, where he loved his job, his boss and true friend, William Burg, and William's wife, Cathy Burg. He had a true love for life and especially enjoyed being outdoors, riding his four-wheelers and dirt bikes, kayaking, and working with his hands. Jason was a talented mechanic who genuinely enjoyed fixing things and helping others whenever something needed repair. He took tremendous pride in meticulously maintaining his lawn and keeping his home looking beautiful.

Jason especially looked forward to Christmas and Independence Day each year. He loved bringing family and friends together and was known for hosting unforgettable Independence Day parties filled with laughter, food, fireworks, and memories that will be cherished by all who attended. Above all, Jason adored spending time with his family every chance he could. He was a kind, funny, hardworking, and wonderful man whose presence brought warmth and joy to those around him. He will be deeply missed and lovingly remembered always.

Jason's time on this earth has come to an end.
But take comfort in knowing that he still lives on.
Because on our strange rock, nothing is ever truly gone.
He is forever a part of one, beautiful pattern of life.
