“ Dear Rosalie,  
*I am so very sorry for your loss. From all the wonderful stories I have heard about your mother, I know how special she was to you and your whole family. I hope that you continue to heal with your own physical health, as you also begin healing from this loss. The world was made a much better place because of Jean's gifts, and all she brought to us (including you!).*

“ Dear Rosalie- *I know how dearly and deeply you loved your mom. No matter how old we get, this is a very hard loss to bear. Of course the timing of losing a loved one is never good and I'm so sad for you to particularly have to go through this loss when you are trying to recover from surgery. My thoughts and prayers are with you. Hugs.*
