“ May the hope of Psalms 34:18 bring the Farrar family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.

“ I wonder how many of Aunt Jean's nieces and nephews were made to feel special anytime they visited her at the butcher shop by being allowed behind the counter to grab a cold hot dog? She never missed a birthday either, you always just knew that there would be a funny birthday card in the mail from Aunt Jean. So many memories! Much love to you Chick and your family!

“ I just wanted to let you know that I am thinking of you and your family during this sad time. Your Mom was such a positive person in my life growing up in Detroit. I loved going to Joe's Market and seeing your Mom. What a special lady. I know she will be missed by family and friends. My thoughts and prayers are with all of you.

Aunt Jean was one of my favorite people. I would pick her up at the airport in Tampa and drive her to Lakeland, Fl to spend time with my grandmother Mabel Farrar, her sister-in-law. She was energetic and so upbeat. I loved her and she loved that we were able to visit a little bit when she came into Florida. I know she will be missed by everyone that knew her. My heart goes out to Chic and all the kids and grandkids. I know she is in a better place along with all her brothers and sisters. Love you Aunt Jean and Gods Blessings on you & your family. Love always, Ginny

“ Friendly, feisty and fun ... Jean was such a companion and comfort to my mom (Zelda) when they shared gossip and goodies at Medilodge. Her quick wit and kind heart were a joy to mom and everyone else. May God hold her gently in his palm and keep her in His light forever. Our sincere condolences.
