“ I first met Jean about 25 years ago through the quilt guild in Florida and we became very good friends traveling, dining, quilting and laughing together - memories I will always cherish. Norm and I loved both Jean and Bob and although sorry to hear they are no longer with us, we know they are together again. I know how much she loved every one of you and I pray that you have peace in your hearts and many wonderful memories of years that they never expected to have.
