“ Dear Nancy, Gary, Keith and Jimmy and all your families, so sad to hear about your mom. So many great memories from our youth involved your mom at church, cards and other activities through the years. She had the greatest laugh! I remember when your mom was trying to teach my younger sisters some crafts...for some reason I think of the words "yannika hani" which I know means nothing (I googled it). But it did mean something, I just remember it that way! My mom considered her such a dear friend. She never missed her birthday. My mom entered Fraser Villa the day your mom left. She was so disappointed to have missed her. In the last 6 months I heard her say "I have to call Jeannette" at least a dozen times. She was unfortunately not able to make the service. I was out of town or would have been there. Your mom left an impact on so many people. My prayers go out to all of you. Hugs, Sue Mackey

“ Konnie Kids.....very sorry to hear about your delightful beautiful Mom. I am happy we all grew up together in a simpler time with parents who taught us things that matter even in today's world. Jeanette was one of the best. Bless her family legacy and the many memories you all share.

“ *I'm so sorry to hear of Mrs. Konnie's passing. I remember her as such a classy, Christian woman. She always bought my Christmas cards when I was in elementary school! I'm sure Jimmy remembers when Paul and I had to have him crawl through the milk chute when we got locked out of the house! She will be greatly missed. With love, Cheryl Tarvin*

“ Jim--

Very sad to read about your today. I never met her, but she had to have been special to raise great sons who honor her legacy by making the world a better place to live. In peace and understanding.

“ *I can't even tell you what Jeanette meant to me! I have known her for 15 years, as she was a volunteer at Henry Ford Fraser but she was much more than that to me. She was a dear friend. She would always stop by my desk with her dear friend, Ruth to say Hello and when my Mother and Father passed away they were there for me! They were like my surrogate mothers! I loved seeing them every week and I loved Jeanette's spunky personality! I will never forget her and love her so much! I know she and Vince are up in Heaven dancing together now! My heart goes out to all her family and know this is a difficult time for you and pray God helps you through this difficult time! God Bless you all!*

Auntie Jeanette,

*I have every Angel that you ever gave me from the little green apple. I cannot remember a time when you were not in my life. I will miss our lunches, but you and your angels will live in our memories for ever. Have a blast with all of the March birthday folks that greeted you today. Until we meet again,
Love,
Mary*
