“ *Jeanine, my loving and kind sister. I remember all the things she did for our family and others. Buying us special gifts and taking us on vacation. Helping out when we were short on funds. She kept in touch with relatives we would not have seen otherwise. She bought food to poor families and gave support to a young disadvantaged woman. Our trips together to Arizona and New Mexico where we had guacamole and margaritas for lunch were fun. I remember that special birthday when she took me to J.L. Hudson's and bought me a purple wool coat with a gray lambswool collar and red velvet hat. I had a Mickey Mouse special for lunch. I wish I had expressed my gratitude to her more often. She made a great difference in my life. I will forever hold loving memories in my heart.*

You and the ladies of Leisure Manor are angels here on earth. You were my mom's second family and loved and cared for her like she was your own mother. 💕
