“ *Paul, Allison & Kylie, I'm so sorry to hear about Jeanine's passing. We used to have the best times meeting up for dinner, with Jeanine, Sheila, Lynn and myself. We would laugh so much! “ September 18, 2022. Jeanine was always the fun adult. The life of the party. She told the best stories, keeping me captivated for hours. She made sure that every moment was well spent and everyone around her taken care of. She put so much good into this often bleak world, I am blessed to have known her and heard her laugh. My deepest condolences go out to her family and friends, whose loss is immeasurable. May the great memories together keep her alive in your hearts forever.

“ So often at TCT we would be in the middle of a math paper or news report and Jeanine would come into the classroom and say “what’s going on this doesn’t seem much fun does it guys?” The students of course would agree with her - so on would go dance music and our Lesson would be over! One bunch of riled up happy students/ every single one of them loving Mrs.Sikora.

“ *Death is nothing at all*

*Death is nothing at all,
I have only slipped away into the next room.*

*I am I, and you are you;
whatever we were to each other, that, we still are.*

*Call me by my old familiar name,
speak to me in the easy way which you always used,
put no difference in your tone,
wear no forced air of solemnity or sorrow.*

*Laugh as we always laughed at the little jokes we shared together.
Let my name ever be the household word that it always was.
Let it be spoken without effect,
without the trace of a shadow on it.*

*Life means all that it ever meant.
It is the same as it ever was. There is unbroken continuity.
Why should I be out of mind because I am out of sight?*

*I am waiting for you, for an interval,
somewhere very near, just around the corner.
All is well.*

“ Wonderful, fun memories of family all together whenever we visited Michigan! Jeanine was full of life...a joy to be around! Thank you Jeanine for being the person you were...we all loved you! You always made everyone feel comfortable and welcomed in your home! This is an extremely sad time! My heart goes out to her wonderful husband Paul, Allison and Kylie and my sister in law Raylene and brother in law Len...they all will share an empty spot in their hearts but have hope....I do believe we will see our loved ones again! Looking forward to that time! The “Other Yarnell’s” .

“ This is so difficult to admit that Jeanine My Queen is no longer with us. We were little girls that took Tap Dance together as we had a to dance to the song "Jeanine My Queen of Lilac Time" ! The name stuck ! She is the most generous, loving, kindest, life of the party, and most special friend to not only me but everyone who's life she touched ! And everyone is better for knowing her ! My heavy heart goes out to Paul, Allison,Kylie and her dear sister Raylene. We will never forget Jeanine ! She never would have forgotten any of us....dance on my queen.

“ Writing about Jeanine in the past tense is incongruous. She was bigger than life with her infectious laughter, quick witt, and warm heart. Since our store front Grow days all the way to TCT, Jeanine was a person who made everyone's school day better. I've missed you since I left Troy, and now I will miss you forever. Thanks for everything you've done Jeanine. You were one in a million. Rest easy my friend. Your spirit will stay alive with all of us.

“ I don't even know where to begin... Jeanine was so special to all of us at Troy Center. On a daily basis she made us laugh, gave some “zingers”, supported and loved everything our students had to offer. Jeanine was also my right hand woman as my/our Troy Center Secretary, schedule creator, program developer, leader for many years! She kept us all on track and moving along as well as helping to create from the ground up what Troy Center has become. We love her with all our hearts! I wish my friend, guider, and comic relief, heavenly rest, peace and hopefully lots of laughs and fun times with one of her previously past besties, Sheila D. Miss and love you lots Jeanine!

“ We were so deeply saddened to learn about this wonderful ladies’ passing. So many fond and fun memories with her. From our years at Costello as room Moms our PTO hi jinx and “afterglows” to spending hours at Troy Beaumont waiting for our grandkids deliveries on the same day and time! Never a dull moment or a lack of laughs with Jeanine around. Our sincere condolences are extended to Paul and her girls, grandchildren, extended family and friends. Rest In Peace, kiddo.
