“ Dear Diane and family, My thoughts are with you at this heartbreaking time in your lives. I lost my dear mother, Marge 5 years ago and it seems like yesterday. It will get easier..in time. I want you to know that I have fond memories of your mom. We were all blessed to have shared in each others lives. We had some special times. I hope you find comfort in people reaching out to you and may it help you to take care of each other.  
Fondly, Renee###imported-begin###Renee Galazka

“ I remember Jean as a person who always lived to the fullest. I don't believe there was anything Jean couldn't do--and do well.
