“ We were very sorry to hear about Jean. My mother thought very highly of her and mentioned her often. It was very nice to meet your family yesterday and get some of the Wypych family history. Please keep me informed if there is ever a family reunion or get together. We would love to attend and share our knowledge of the family history. Again, your family is in our prayers during this time of your loss.##imported-begin##Genevieve Frederick/Norine Audette##imported-end##
