“ I am so saddened at the loss of Jeanne. I taught with her during her last few years at Miami Elementary school and she was a supportive teacher and friend to me. There were many students who she had a positive effect on with regards to their learning and self-esteem. I pray for Dean and Joe and hope they find peace in that she is with you in spirit always.##imported-begin##Rita Zybura##imported-end##

“ Student at StMarys in the 70's.  
Jeanne was one of those who I will never forget.  
Her vocabulary lessons are still with me today.  
And yes she was one of the first teachers to treat you like an adult.  
In my case she also had a stronge left arm and if I were talking during class(which rarely occured)she could pick me off with an eraser from across the room.  
God has one of his Angels back!##imported-begin##John Villerot##imported-end##

“ Mrs. Campeau you taught from the heart and I will forever remember your gifts of knowledge, love and humor. You have truly left the world a more beautiful place and touched my life. I only hope I can leave my students as much as you gave me. You inspire me still to pass on a love of reading.##imported-begin##Kitty Buiteweg Foss##imported-end##

“ I knew Jeanne as Jeanne Churches oh so many years ago. We went to Our Lady of Good Counsel Elementary and Dominican High together. I remember how intelligent she was and also so funny. After reading some of the entries in the guest book I felt good that she had touched so many lives. I just happened upon the notice because my dear friend recently passed and the service was at Wasik's. I recognized her name and the memories came flooding back. God Bless the family.##imported-begin##Mary Kay (Murphy) Popadince##imported-end##

“ I knew Jeanne from St. Mary's also. Being a parent as well as a playground mother, I came to understand her special talent for working with and developing young minds in their most challenging times, 6th, 7th and 8th grade. She was a very special person whose memory and legacy will live on in the minds and hearts of all those she touched at St. Mary's.###imported-begin##Ilene Lanfear###imported-end##

“ I had the pleasure of working with Jeanne as a parent and also as co worker for several years at Miami Elementary. Both of my sons had her as their 3rd grade teacher and they certainly learned a lot. She was a very special person and teacher. Your wonderful memories will give you comfort and peace in the coming weeks.##imported-begin##Dana Mullin##imported-end##

“ Mrs. Campeau was my teacher at St. Mary of Royal Oak. Her teaching style was positive, effective, and creative. She touched the lives of so many students. Just the other day I was relating a story about Mrs. Campeau to my wife. She had such a large impact on all of her students and we are all better people and adults. My condolences to Mrs. Campeau's family, friends and students.##imported-begin##Mr. Francis T. Maher##imported-end##

“ Mrs. Campeau was my 6th grade teacher at St. Mary's of Royal Oak. She encouraged my love for writing. I often share stories of her to my children, she was one of my favorite teachers. I remember at Christmas time, I brought in some homemade sugar cookies, and she just loved them! I rushed home and baked her a whole batch for christmas! Every year, when I make my cookies, my thoughts drift back to 6th grade at Christmas time. I will always chersih those memories. My thoughts and prayers are with you at your time of saddness.

“ To the Family, May each of you find comfort in knowing that God is "near to those that are broken in heart; and those who are crushed in spirit he saves." (Psalm 34;18) He has promised to soon "swallow up death forever...and wipe the tears from all faces." (Isaiah 25;8) Take care,##imported-begin##valerie thompson##imported-end##

“ I was also one of Mrs. Campeau's students at St. Mary's in Royal Oak during the mid 70's. As one of my classmates said in an email, she was one of the first teachers to treat us as adults (not sure why). It has been 35+ years and I still remember the spanish Christmas Carols she taught us. Another friend and I have commented many times over the years that her vocabulary class may have been the best class we had at any level and that we use the things she taught us every day.##imported-begin##Chris Gayde##imported-end##

“ Mrs. Campeau was my teacher at St. Mary's in Royal Oak during the '70's. She taught religion and the lessons she shared have impacted me throughout my entire life. I often still refer to her somewhat unconventional teaching methods in sharing life lessons with my own children. I always say "I had this teacher back in 7th grade who taught us this lesson by ....." I hope Mrs. Campeau knows how many young lives she touched and how she did truly make a difference in the world through her teaching of us.##imported-begin##Anne (Nowosiadly) Williams##imported-end##

“ Mrs. Campeau was my teacher at Royal Oak St. Mary's back in the early 70's. Recently a number of my former classmates discovered each other via e mail. There are approximately fifteen of us who regularly correspond. The subject of past teachers is a favorite. There is universal agreement that Mrs. Campeau was one who positively impacted all of our lives. I was saddened to hear of her passing and wish to convey my condolences to you and your family.##imported-begin##Johannes J Buiteweg MD##imported-end##
