“ *I worked for many people in my career as a respiratory therapist. Jeannette was by far the most fair and dedicated professional I knew. Although I had not seen her since I left Bi-County hospital I sometimes thought about her and some of the other people I worked with there. May she rest in peace. Dennis Dominick*

“ *Extremely saddened and shocked to hear of Jeannette passing. Was just with her in Madison, WI Last Friday evening at the airport. She was happy that she was heading down to Florida to be with her family. I will always remember her as a friend, one of the most people caring individuals that I know. She was a fantastic laboratory scientist who truly cared for her profession. My sympathies to Tom and the rest of her family. She will be missed by all of us.*

They welcomed us with open arms and the cookies oh my Goodness we were blessed by grandma's delicious baking. She was so full of joy and her love for family was always felt.
