“ Dear cousins. My thoughts and prayers are with you during this time. I always loved your mom and dad. They loved to laugh and everyone around them always laughed along. Heaven will never be quite the same (and will probably be a little bit louder) now that the whole gang is back together again. Sorry that my family and I can't be with you at this time but we are traveling. Hopefully we can have a cousins night out sometime soon.  
Love and hugs, Valerie.
