“*Jeffie was my best friend when we were in kindergarten together. We rode the bus every day & sat next to each other on the ledge seat to the left of the bus driver. He spoiled us. Jeffie was my first love. We went to separate schools after that but I've always kept him in my ❤️. His parents & brother Mike were so nice to me & Kurt was too little but adorbs. May memories of times spent together bring his family warmth, love comfort & peace. Joyce Walsh Corneillie*
