“ Jeff you will forever be in my heart big guy. We traveled off the beaten path for a lifetime together, and I will carry the vast amount of treasured memories in my heart forever. Our deepest condolences to your mom Betty and your siblings Mark, Kelly and Vicki as well as all their children. Diane still to this day answers to the name "Pokey" that you gave her snowmobiling at Tip-Up Town so many years,ago. You have the strength now to hold that Harley up again, but watch out for your dad, he is probably waiting for you to help him split some wood up there. God Bless you my friend until we meet again 💕🙏🙏🙏

“ Dear Betty and family, we are so sorry you are going through this. We are so heartbroken over the loss of Jeff. We are going to miss his calls every day. Seven days ago, Jeff came and sat by our fire pit in the back yard. He was so happy that Bob invited over. There is going to be an emptiness in our lives and in our neighborhood for a long, long time. God bless you all with peace and comfort during this difficult time.
