“ Jeffrey was a very kind, thoughtful man with a huge heart. He loved taking care of all the employees at work. He will be missed by so many people. I loved how he would let me sing my heart out and not complain at how bad it was and I will especially miss how stubborn he was and no matter how mad he would make me I just couldn't stay mad at him. Jeffrey was a very giving person and if you needed anything, he was there to help. He was a gentle soul and I will miss him very much.

“ Jeffrey's kindness was enormous and I loved his sense of humor. He made me laugh quite often when he worked up in accounting. I will miss him. Thoughts and prayers for the family during this difficult time.
