“ Jeff,
Forever my son, forever my friend. I have loved you through all of the good times and the not so good, as well. You NEVER hung up the phone after talking with me, before you told me "I love you, Pa." and I would always let you know that you were always loved by me. Rest easy my son, my friend. I will miss you so very much and I will always have that special spot in my heart reserved for you. See you on the other side.

Love forever and always,
