“ Today, 01/12/2017. I had tried to call Jeff a few times in the past year. I thought maybe I ticked him off. I passed his house today. I was going to pull in. I saw his truck with the flat tire. I knew something was up. I decided to Google his name and got his obituary. Never in my wildest dream I would think this positive, life loving big bear of a friend would be gone from this earth. We had good times hoisting a beer here and there. Good times when I went to the Caseville Cheeseburger fest. Year 2012 at P.A. was memorable. His brothers were up there too. Jeff and Roger made me feel good in life. Man, I am so sorry I didn't catch you in distress, we'd figure something to chuckle about. I'm sorry I missed your services Jeff, I didn't know. Hold a bar stool for me buddy. We have a lot to catch up on. Hopefully your catching with Dave W. See you on the flip side.

“ What a heartbreaking loss. For as long as I can remember going "up north" has been the best part of the year, something to cherish all winter long. Family, friends, fireworks, volleyball, tonk and too many adult beverages. At the heart of it all was Jeff Pelc... Quick with a joke, a beer and a welcoming smile; Jeff was forever making new friends along the way. And I like to think that's exactly what Jeff's doing now. Rest in peace, my friend. You'll be sincerely missed but never forgotten.

“ Our condolences to Brian and Roger and the entire family for this terrible loss of Jeff. He has been our neighbor in Port Austin for a short time, but in that short time became a good friend and truly a great neighbor. Jeff always had a smile, and always had something to share that made you smile. He was far too young for this to happen and he will be very missed by all who knew him.

“ I met Roger Sr. 26 years ago. He talked about his boys with such pride.
And then I met the boys, Roger Jr., Brian and Jeff, I could see where his
Pride came from. They were fun, crazy but polite, and a never ending source of
entertainment. But most of all they were inseparable. Jeff will be missed by many.
My thoughts and prayers go out to the Pelc family during is difficult time.

“ The world changed for a lot of people when we lost you! Your spirit, infectious laugh, big smile and Jeffroisms set you apart. People were always drawn to your disarming personality as you were not only the organizer of the parties you were the life of them too! What a wonderful family that I have been blessed to be associated with! Your generosity over the years was only exceeded by the love you have shown me! How will I ever be able to thank you for all the good times and adventures we have had. You can't put a price on memories because mine are priceless just like you were Jeff! I lost a piece of my heart today but I am replacing it with all the memories we have shared. I know we are not Blood but you have and will always be my brother! We used to end our conversations the same way so it's only appropriate to say it now, "LOVE YA ,BOTHER"

“ *Jeff always stopped at Walt's to say hi/bye to us. He always filled us in on the progress of the "cottage" and the latest addition, his man cave. He had invited Rick and Lynne to visit the cottage several times, but we were unable to do so due to being busy at Walt's. When in Walt's, Jeff made a point of telling all the other customers how fantastic our pinwheels and mushroom gouda burgers were. He always had a bright smile and a friendly word for us. He will be missed. May GOD be with your family during this time.*
