“ Jeff you will be remembered and missed. We solved a lot of the Wolverines problems, we thought, on those Saturday afternoons watching them play in your garage ☐. Rest in peace my man.

“ I will miss you Jeff, not just our talks about football and our teams. but I will never forget the day I loss my mom and you called to say "so sorry about your mom, I was going stop and give you a hug but i got real dirty at work today, but that was my thought you need a hug... that meant so much to me, a thought that has never left my heart. I know you're with your mom now and giving her all kinds of hugs. Fly free my friend...till we meet again...”
