

Jeffrey A. "Butch" Wohlfield

June 27, 1969 - December 4, 2021

Jeffrey A. Wohlfield passed away on December 4, 2021, in Ann Arbor, Michigan at the age of 52. He was born on June 27, 1969, in Detroit, Michigan.

A Gentle giant with a quiet and observing nature, most times he would often say very little, but when he spoke his words, they were very meaningful and most times humorous. Having a dry sense of humor, he would make you think about what he had just said, and then realize his remarks he just made were very funny.

Butch was very handy, he wanted to fix everything from car repairs to home projects. There was nothing he wouldn't try to fix. He also enjoyed wood working and making crafts to showcase and sell at craft shows, using his sense of humor he would label all his wood crafts with one of his nicknames "Made by: Butch Podorsek".

As a software designer, he took his gift of solving problems and fixing things into his livelihood.

A natural athlete, he played baseball and in his early years and was best known for his pitching. He took his loved of the game into adulthood by playing softball and formed lifelong friendships.

Although he also enjoyed golfing with his friends very much, Butch was a farmer at heart, he would take great pleasure in working outside doing his “chores” at his property around his home, he especially enjoyed growing all kinds of vegetables and fruits.

His culinary skills were above most people; from baking his signature apple pies, grilling “butch burgers” and smoking his world-famous ribs, everyone looked forward to his well-known dishes.

Above all his passions, he was devoted to his girlfriend Jackie, he enjoyed spending time with her and their summer trips to Petosky.

Butch is also survived by his brothers; Kevin (Michelle VanDeVelde) Wohlfield and Tom Wohlfield, proud uncle of Tom and great-uncle of Tom and Keely.

He will also be sadly missed by many loving friends and his best friend; Joe (Lee Ann) Wasik and their family.

He was predeceased by his parents; Shirley and William Wohlfield.

Visitation will be Friday from 4-8 pm with a sharing of memories service 7:30 pm at the Wasik Funeral Home, Inc., 49150 Schoenherr Rd. (n. of 22-mile Rd.) Shelby Township.

“ *Butch, thank you for so many wonderful memories, an abundance of laughter, for being a kind and generous human with a huge heart, and for always being a gentleman. My heart is broken that this world is without you.*

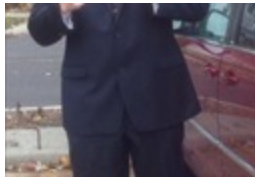

My condolences to the Wohlfield/Jansen family, and to Jackie and her family. The Baker/Vitali Family, and the many many friends that walked through the gates of Harvard Drive over 17 years, grieve with you. You have our deepest sympathy.

Joe (and Lee), Bletch, and Coraci - I am so sorry for the loss of your dear friend. He relished the time he got to spend with his buddies.

I am sharing my favorite pictures of Butch with you all. Shirley used to say that, because he was such a beautiful baby, a lot of people thought he was a doll. He carried that beautiful smile with him his whole life.

May you rest in peace, Woob. Give the Little Girl some doggo kisses from me.

“ (Dad),
Don't worry, us kids are definitely going to help mom keep up on the yard/garden just like we'd see you doing, & always burning stuff in the fire pit.
I'm gonna keep asking mom to take pictures of me and expect her to say "ooooomg seriously" and shake her head at me.
Definitely going to miss the little jokes, smile on your face and laugh in your voice. You were always smiling about something!
Daisy is missing her grampy and she loves you a lot.
Oooooomg OK love you bye... (that is what you told me everytime I left your&moms house).

“The sorrow we feel when we lose a loved one is the price we pay to have had them in our lives.” Butch you were a part of our family for 21 years and the thought that you will never walk this earth again has deeply saddened our family. Godspeed Butch, you were far too young to be gone.

“ We met 40+ years ago on the baseball diamond and have remained friends all these years. I still remember you calling me to get your car from the garage because it died...turns out it was out of gas. I think the garage "kidded" with you...think I was the first and last person you told. Love you man. <3

Did he ever tell you the story about how he went Trick-or-Treating one year, just to come home and find out he had a hole in the bottom of his bag!? Poor little Butch that year!
