“ To the Buchalski family. Our families grew up as neighbors on Marcus. Jennie was always the sweetest lady. I remember her always hanging clothes outside on the line, and she was always cooking and baking something. Our families were very close and we even shared the telephone line, so Jennie was our Party Line. I remember picking up the phone to make a call... only to say sorry Jennie... and I tried again later.

We spent a week in the summer renting out one side of the Caseville cottage. Always had so much fun up there.

My Mom and I had the pleasure of visiting Jennie after many years last September while up in Caseville for a family wedding. We had a good conversation of the old days, and took a few pictures of my Mom ... also named Jenny... and Jennie.

My Mom and I feel so bad because when we got notice of Jennie's passing, the information was only for the Caseville viewing and funeral. I'm so sorry to say that I just seen that she was laid out here in Warren today, but I didn't see it until 6:30 tonight. Please know that my Mom and I would have been there in a heartbeat had we known about this. So we are truly sorry, but are praying for Jennie and all of her family at this difficult time. Rest in Peace sweet Jennie. We will never forget you.

“ Jennie was one very generous quiet but feisty Woman! I knew Jenny from my visits with Judi Steffes when Jenny would come over to play cards. She never turned an opportunity down to beat the socks off of anyone around the table. She was as sharp as a tack and she often shared her culinary arts with us in the form of sweet treats. She will be missed! My sincere condolences to all of her family! What a wonderful young at heart Woman! Sister Lenore Boivin, OP
