“ Jennie was a classmate of mine at Mercy College, graduating in 1954. I knew her a little better than some of the other nursing students (I was studying Medical Laboratory Technology) because of my friendship with Helen Gawronski. Like Helen I believe she at that time lived in the Hamtramck area which was a "stone's throw" from where I lived in Detroit. Both during those days of college and later at reunions, it always struck me what a good person she was. She truly was sweet in the best expressions of this word--open to and embracing of others, Always. It was my privilege to know Jennie as we walked some of the same roads in this journey of life. I am saddened by her loss and especially for her family who are bound to miss her greatly. May God hold all of you close.

“ Mrs. Kulesza was one of the most professional and nicest nursing supervisors I ever worked under at Holy Cross Hospital. I have been nursing for 38 years and she is one supervisor I always admired and will never forget. Rest in peace.

“ To the Kulesza family I send my deepest sympathies. I loved Auntie Jennie dearly. She was a wonderful part of my family. Her smile, her laughter and her warmth will be remembered for years to come. She was always kind, thoughtful and generous to me and my children, We will miss her at our annual Super Bowl party and 4th of July gathering.

My faith tells me she is not in pain any longer but is enjoying everlasting peace, her body rid of the cancer. She is now in the arms of Our Lord and probably doing a polka with Uncle Edwin.

*Love you Aunt Jennie!!
