“ I met Jennie and the family when i was about 10 years old. Her home was like my second home living only 2 houses away. I was more more than happy to spend the last month helping take care of her. She always wore a happy smile even though she knew her time was limited. She was just happy to have loving friends and family surrounding her. She suffered so much but was always in good spirits. She will never be forgotten. R.I.P. Jennie we all love you.
