“ From the first day Mark introduced us to Jennifer, we knew he had found someone special. You could see the love between them and it only grew as they began their life together. As their family grew with Kaitlyn and Joshua and her responsibilities increased, Jennifer still found time to share her love and concern for all, but especially for Mark, Kaitlyn and Joshua. Even during the times herself was very ill, her first thoughts were always about her family and their well being. We considered Jennifer to be like one of our children and were privileged that she loved and respected us enough to consider us part of her family.

Rest in peace Jennifer. Your struggles are over and you are at home with our Heavenly Father.

Jennifer had the kindest heart always thinking of everyone else but herself. Thinking of you all during this difficult time as you say good bye but always remember how much she cared for each of you. She will be missed

“ *It was a pleasure to be her neighbor for 9 years. I will always remember how Mark and Jennifer would decorate their basement for Halloween, and then invite our kids(and others) over for an awesome Halloween party. I'm so sorry to hear this. Rest easy Jennifer.*
