“ Jerri has been a very special person to me ever since she came into my life. She babysat my brother Drew and I, and it wasn't long until we starting calling her "Aunt Jerri". As I grew into a young lady, Jerri became like a second mom to me. Her and my mother gave me a blueprint of what friendship can be. I have so many memories of time spent with Jerri, Bob, and their family- and truly they have felt like family to me.

*In this difficult time, I think of Jerri's family and friends and offer my deepest wishes for serenity, hope, and healing.*

*Jerri, your Roonie Toon will miss you. Love, Emma*

“ My Dear Jerri,  
What a great ride we have had. I will Cherish all of our events and moments in my memory and heart forever. Over our time together we shared laughter and tears, and through it all we built a strong and everlasting friendship. Those experiences bonded us together and helped us through the good and bad times in our lives. The last few weeks have been extremely difficult, but a true testament to that friendship. I am proud to have been your best friend. You put forth a brave hard fight and I was happy to be in your corner fighting right along side you. I will miss you forever sweet pea, you will always be my girl.

Love,  
Mavis

Jerri, my husband Ed Baldwin, and I (Cathie Mancina Baldwin) graduated with Jerri from St. Elizabeth High School. Jerri and I (Cathie) hung with the same group of girlfriends. We had many good times together and fond memories. Jerri was a good athlete. Those years since St. Elizabeth have flown-by. Jerri, I will always remember you. I did not get to know Jerri's family but I know this is a hard time for you. It is always hard to say good-bye to a loved one -- especially a mom. Jerri, have a great journey in this next passage of life. God Bless!
