“ How will I live without you! You are my life and breath. Now what? We had such a beautiful connection with life, our life together. But, now has ended so abruptly. You will forever be my love. Of course, you already knew that! XOXO
Until we meet again.
Your loving wife, Lois

“ I love my family. And Jerry or as I called him..Jer was a huge part of my life, Jerry was special to so many people in so many ways. He was always so accepting of others. And I can say that because he accepted me, Loie's sister. He has always been my favorite. You are my Jer Jer. Always willing to help me in all my silly ways. Maybe that is what kept him so youthful.....having a servants heart <3, always caring, always loving! I love you Jer Jer.

“ Lois, Kerstin & Family,
Our sincere sympathy to you & your family. Jerry will be missed by all. He has been part of our family. Paul had such a good time & so many stories to share with their trips to Tree Tops. So glad he got his "hole in one" in May.

Take care as you are all in our thoughts & prayers.

Love, Laura & Paul L.
