Tribute Wall

“ *My deepest condolences to the family of Jerry. I played with and against Jerry in all kinds of sports in middle school and high school. He was a truly gifted athlete and nice guy. My best memory was him throwing me the only touchdown I ever made in years of playing football on a 22 out route. That was in 1969. We were in 7th grade. Thanks for the memory Jerry. I was wide open. You hit me right in the belly and I didn't drop it. 6 points for the Lancers. Bill Hansen, class of 75*

“ *Jerry helped me in my early years in car sales and I am still employed successfully at the same place he advised me to work at over 26 years ago. I only wish I would have listened to his advice when he tried to teach me how to golf. My condolences to his family.*

Is Jerry standing right of the coach?

“ *I met Jerry over 25 years ago. We have been friends through good times and bad. The one thing you could also count on from Jerry was a conversation about his two loves, his girls and golf. I'll miss our talks. Rest in peace my friend.*
