“ *I'm very sorry to hear that Jerry has passed - I enjoyed golfing with him in the Fern Hill league and on many weekends - we always had a great time together and our foursome always kept ourselves and many others laughing and in good spirits - RIP my friend as you will be missed!*

My prayers are with Linda and family.

Respectively,

“ I was fortunate to golf with Jerry several times in which we shared countless laughs but the highlight was once at Sylvan Glen when a squirrel came on the green and clamped his mouth on Jerry's golf ball then ran down the fairway - I still remember Jerry giving chase yelling for the squirrel to drop that damn ball while the rest of us howled and I yelled that per the rules of the game he'd have to putt it from wherever the squirrel dropped the ball!

I am deeply saddened by the news of Jerry's passing - my thoughts and prayers are with Linda, Shelly, Derek and the extended Myers family.

May God Bless you all at this time of loss!

Sincerely,

Jim Tewilliager

“ Jerry was a great man, a great neighbor, and great friend. His love of family, his lust for life, and his outgoing and friendly nature towards everyone he met made him a very special person that EVERYONE loved. The world would be a whole lot better place if there more people like Jerry in it. We'll miss you buddy!

“ Our thoughts and prayers are with your whole family. Dave said he will always remember when Jerry called the police on him for parking on the wrong side of the street and that was the first time he meet his future mother and father in-law.
Love you,
