“ *Trudy and Jason....Our God has blessed you with much love and sharing as you gave of yourselves in making sure that Jesse was taken care of here on earth. Know now that he left for his forever home with that same love for you. He will be missed by Bob and I too and as we look across the street we will remember him as the kind gentle man he was.*

“ Dear Trudy and Family, and Montoya Family~~~~

I want to express my deepest sympathy on the passing of Jesse. I pray for strength and understanding for you all at such a difficult time.

Jesse surely has left his mark upon us all each of us in a different way..The world was a better place with him in it, and he will be sorely missed, but not forgotten.

Trudy, you TRULY are an inspiration during such an unusual time. You have held your head up when others would have succumb to the pressure. And Jason, God Bless you for all your kindness and tenderness towards Jesse all this time. You are a testament to how a true and loving vessel of God you are. Thanks you for being such a good son to your Mom!! In the Perry family I expect no less than genuine love from all of you.!!

And to the Montoya Family, I pray that God will ease the pain and confusion your father's passing may have caused. You have my condolences. I just recently had the pleasure of meeting Melissa, she is a lovely young woman, and God Bless her for being a strong and loving daughter through such adversity. She is doing the very best she can under the circumstances and I am sure Jesse is very proud of her!! In the end, the most important thing is family, without it, we are so alone in this crazy world.

Hopefully time will heal your hearts, and by the good grace of our Lord, we will all be together again. May you all find peace in your own way.

It would appear I don't know you either unfortunately, seeing as Melissa has never said a bad word about you.

“ Our loving brother we love you and you will be missed. First, I would like to make some corrections. We were all raised by Pedro and Juanita Flores. There was five of us: Antonia Cordova, Jesus Montoya, Jose Flores (May he Rest In Peace), Juanita Burrell and Guadalupe Burgos. He also had another sister named Lucy and and brother named Pedro jr unfortunately that passed at birth. We had a great childhood going up in our household. We had very loving Parents. You are now in peace with our family in heaven ❤️❤️
